To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 09/20/2023.

On September 5, 2023, the conditions of supervision were reviewed with Ms. Zepeda-Peone. She signed the judgment acknowledging an understanding of her conditions.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4	<b>Special Condition #1:</b> You must complete a mental health evaluation and follow any treatment recommendations of the evaluating professional which do not require forced or psychotropic medication and/or inpatient confinement, absent further order of the court. You must allow reciprocal release of information between the supervising officer and treatment provider. You must contribute to the cost of treatment according to your ability to pay.

**Supporting Evidence:** It is alleged Ms. Zepeda-Peone violated her conditions of supervised release by failing to attend her scheduled mental health assessment on September 19, 2023.
